

Send a Team to Cambodia

Our Freedom Mandate is the command of Jesus to care for orphans and widows in their distress, to help the least of these, and to recognize that the only organization on Earth that is anointed by God to end the evil of sex trafficking is THE CHURCH.

At AIM, we believe that Christ through His Church will defeat the evil of sex trafficking, and so we invite you, the Church, to take your next step in this fight.

Short-term missions teams are a great first step to seeing AIM's ministries and witnessing Jesus' transformational and healing power firsthand.

The serving opportunities for teams vary, but we try to schedule each group with the prospect of seeing every aspect of AIM's holistic approach. This could include serving at Rahab's House in Svay Pak by planning and conducting a Vacation Bible School for the children attending Kids Club, giving you an opportunity to teach them about Jesus, do arts and crafts, sing and dance; helping out in our community medical clinic; teaching computer, music and dance skills; ministering to drug dealers, traffickers and pimps at the Lord's Gym and doing outreach with AIM to the Brick Factory families and Karaoke Bar workers.

Our hope is that your heart will continue to be transformed by Jesus to be a voice for the voiceless and an advocate for AIM. We want to equip you, a life set free by Jesus, to bring freedom to others.
